Nutley 10, New Jersey

Dear Mr. Strauch:

Please accept my apology for not answering your letter sooner but I have been trying to figure what was the best thing to do where you are concerned.

I definitely want you to officiate at our games here in Newark, however, in going over our League setup I was wondering if you would not be better off getting paid each game than being on salary. We are going to play Sundays and one night a week here and possibly two -- in addition there will be Colored Baseball every Sunday in New York plus some nights at the Polo Grounds. The New York club will use you also, I have been informed.

Would you be interested in working for us under these conditions? Please let me know as soon as possible.

Very truly yours,

EFFA MANLEY
Business Manager
